Introduction

Welcome to a Temple of Service dedicated to alleviating human suffering. Since its inception in 1952, this hospital has embraced a noble dream inspired by the universal connection between good health and happiness. In the words of Rabindranath Tagore, "give me the strength to make my life fruitful in service." Overcoming challenges with the unwavering support of patrons and well-wishers, this institution has evolved into a beacon of compassion. The hospital stands as a testament to the visionaries who sought to provide relief to the sick and ailing across borders. Its foundation is rooted in the belief that a warm healing touch can bring solace to those in need. The facility, designed to prioritize improved health, safety, and a high-quality patient-focused environment, features two four-story buildings housing 273 in-patient beds. Additionally, six operating theaters and an open workplace are seamlessly integrated around a central courtyard. Together, these elements contribute to the hospital's mission of serving humanity and fostering a culture of care and healing.

Rich Heritage of Professional Healthcare: Embarking on a mission to make affordable healthcare accessible to all, this institution started with a modest 12-bed maternity ward. Blessed by His Holiness Sri Sri Mohanananda Brahmachari Maharaj, the Behala Balananda Brahmachari Hospital and Research Centre have evolved into a modern, multidisciplinary medical institution. Today, it proudly stands as a 158-bedded multispecialty hospital, emerging as the preferred healthcare destination in South Kolkata. This hospital's commitment to providing comprehensive health services is reflected in its offerings of preventive, diagnostic, therapeutic, and supportive services - all under one roof. With a dedication to affordability and accessibility, it has carved a distinct identity for itself not only in South Kolkata but also in states such as Bihar, Jharkhand, Orissa, Assam, and beyond. Driven by a motto of service, this institution has become a beacon of healthcare excellence across various regions, including Kolkata, 24 Parganas (North and South), Howrah, Hooghly, and more.

From the President

Founded by Sree Sree Mohonananda Bramhachari Maharaj in the Name of his gurudev Sree Sree Balananda Bramhachari Maharaj, this institution is serving with a vision to care for the people since 1952.

Initially started as a maternity home, this institution has grown into a 273 bedded multi-specialty hospital including CCU, Dialysis Unit and other specialized facility. Recently, state of the art Eye department named “MOHONANDA NETRALAY” has added another feather on the cap. The Governing Body and the staffs of this institution have great vision to take it up further on a much higher level so that the mission of ethical treatment in reasonable cost can be extended to the society. Your patronage in the journey is highly solicited.

Dr. Tanmay Ray Chaudhuri

Hony. President.

Behala Balananda Bramhachari Hospital

From the Secretary

AN APPEAL

- **A Mission is never achieved without Zeal.**
- **A Goal is never reached without Determination.**
- **Determination never comes without Cooperation and Confidence.**

Seventy three years ago, our “Tryst with Destiny” started with a holy mission to serve the sufferings of humanity with a heart full of emotions and the will to sacrifice. Our institution is not a mere hospital where common people receive treatment at a lower cost, but we also render love, compassion, and affection which we believe heals patients from within. Today, when we look around, we find people from low or middle income group running hither and thither for treatment within their capacity. Our missionary zeal prompts us to look forward and cater much more services for ailing people. Towards achieving that, we would require strength, confidence, and financial support. We have lofty dreams to achieve but need more cooperation and unity of mind and soul.

Our humble appeal to the esteemed corporate houses, individuals, friends, and disciples of the great human being his Holiness the **BALANANDA BRAMHACHAIRI GURU MAHARAJ** and **MOHANANANDA BRAMHACHARI MAHARAJ** to contribute for this noble initiative. We are committed to carry forward the torch passed over to us by the noble souls. Let us fervently appeal to all of you to collectively stand behind the call of the common people, a cause for the society to renovate, refurbish and rebuild the **BALANANDA HOSPITAL** with your support and strength.
